This card has a Heal action on it. Please verify that it is fixed (by the implementation of the Heal action) and if so, close this ticket.

This is still happening unfortunately. I am looking into why presently.

#3 - 09/11/2025 10:42 PM - Frank Fernandez

- Status changed from In Progress to Resolved

- Assignee changed from Frank Fernandez to Jay Gischer

This was happening due to multiple issues. The first was a problem with Rough Diamond's script text. The other was due to there being no logic branch for Heal action cards that specifically target Self.

This should be fixed now, but please let me know if it happens still.
