

## Secrets of Toanium - Bug #413

### Tile Editor has weird 404 errors in meteor console.

02/25/2026 04:02 AM - Frank Fernandez

<b>Description</b>			
Created ticket for sake of tracking this. Has since been fixed by addressing a routing issue between client and server, though it could get confusing since we've gone with changing the client-side tile editor route to ".../tile/tile_id" rather than ".../tiles/tile_id" which is instead reserved for server-side image fetching.
